Miscellaneous:

-We are pulling the fencing off of the hill at the end of the event. Please help out with that! Thanks!

-Team captains will pick up bibs and RFID cards for their athletes in the cabana in front of the timing shack between 7 and 7:30.

-Teams will be responsible for lost bibs by their athletes.

-Pay attention to inspection windows and course entry closing times. Relatively short windows, so if you want to spend a lot of time on the course, be at the start as early as allowed. We will be clearing the hill at the designated inspection closing times!

-Coaches need to register on Admin Ski Racing so that they can get notified about the virtual TCM!!! All clubs/athletes will need representation.

-No skiing outside of the designated route to the course, Upper Chief to Lower Comp, prior to 8:30.

-Inspection procedure- In and out of the course. No slipping the line !!!

-Entry to the course for inspection will happen by teams in specific windows during the inspection period.

-Please keep your course inspection moving along so that we don't create bottlenecks on the hill and can keep to the schedule.

-We will have a virtual TCM the evening prior to the race. Time will be announced to all registered coaches.

-No spectators are allowed at the awards ceremony. Just athletes receiving awards.
