Notes:

- **No parents are allowed on the race venue.** Parents may watch from their cars in the parking lot but there can be no congregation. Tents/BBQ's are not allowed. We recommend packing a lunch/snacks for the athletes as there will be no access to purchasing food inside the park.
- **Masks must be worn on the premises at all times. Only exception is when an athlete is racing/skiing.**
- **No more than 2 persons may ride the lift together.** The lift at UOP is a fixed grip quad chairlift. Twosomes must leave a minimum of one open seat in between each other.
- **Each team will be assigned a marked off area at the bottom and the top of the venue.** We ask that each team helps us supervise these areas to ensure social distancing is adhered to.
- Athletes may warm-up/freeski on the skiers left side of the lift. Freeskiing is not allowed inside the race venue (skiers right side of lift) at any time.

**Best of luck to all the athletes!**
