## Let The Games Begin!

Deep tournament runs are the stuff memories are made of. Congratulations on reaching the final round of this MHSAA Tournament.

We like to talk about the 99 percent factor in high school sports. That for most the participants, this is the biggest athletic stage they'll ever perform on, and the memories made are what they'll revisit in reunions for years to come.

For that minute group that are blessed enough to continue playing competitive athletics beyond high school, the day will come in spite of their achievements beyond their prep careers when they're asked what part of their athletic endeavors they remember most fondly, many will point back to this week – this team – playing with their friends from the neighborhood – the overwhelming community support.

That doesn't happen anywhere but in high school sports. Good luck today and cherish the good memories.

Dear Athletes, Coaches, & Parents,

Certainly the 2020 – 2021 interscholastic ski season has been like no other but yet today we are here at the M.H.S.A.A. State Championships.

We ask all concerned today to follow all required Covid protocols as established by our hosts at Nub's Knob, the M.H.S.A.A. and the Michigan Department of Health & Human Services!

Let's finish this season the right way!

The right way includes not just following the Covid protocols that allow us to compete but also the value of great sportsmanship and positive support of all the racers who have earned their way to today's championships!

Today's event could not happen without the cooperation and support of all of the staff at Nub's Knob! If you have an occasion to interact with the Nub's Knob staff please make a moment to offer your gratitude and thank them for all of their hard work!

Let's all work together to make it a great day for our racers!

Have fun, ski fast, and on behalf of all concerned thank you for your participation and support of educational athletics in our great state of Michigan!

Yours in educational athletics,
