No Snowplowing. TC's work on the berms please! -Entry to the course for inspection will happen by teams in specific windows during the inspection period. -Please keep your course inspection moving along so that we don't create bottlenecks on the hill and can keep to the schedule. -No movement on the hill unless authorized by a jury member -Coaches' help might well be appreciated if you are heading down the hill. Please check in with the Start Ref. If you aren't slipping, you should not be moving on the hill! -No coat carriers on the hill.
