

2020-2021 Medical Plan
Loveland Valley

Ski Patrol will be stationed at the top of Chair #3
Radio communication via Patrol Radio Channel
Patrol HQ/Dispatch monitors both Patrol Channel and Area Radio Channel
Including Race Club Radio

In the event of an injury, information is relayed via radio to notify Patrol
Patrol may be reached via cell phone:
303-881-1260 or 303-210-7611

Phone: 303-571-5580 ext 181, ext 134, ext 143
Patrol may also be reached through the Receptionist (ext 100)

Patrol personnel will respond from top of Chair #3 with toboggan to the incident location.
Response time approximately 2-4 minutes.

Upon arrival at the incident location, Ski Patrol will:

- Establish a safe scene
- Assess the patient
- Call for assistance if needed
 - Includes notification of ground or air ambulance as needed
- Package patient and transport to Patrol Room located on the lower east end
Of Valley Lodge

In Patrol Room, on-site paramedic will:

- Further assess the patient
- Communicate with ambulance and hospital medical staff if needed

Approximate response time for a ground ambulance is 15 minutes from the time of the call
Approximate response time for air ambulance is 10 minutes from the time of the call
