Start list will be based on an ITS of SL race results, with the start order in the reverse order of rank. All racers compete in both heats. After first heat, athletes are re-seeded based who is closest to them in time for the next heat. Final result is combined time of all four runs. If skier has a DNF or DSQ on one run in the heat, they will get a time on that run equal to the time on their other run plus 2.00 seconds. If a skier has a DNF or DSQ in both runs in the heat, their final result will be DNF or DSQ, but they continue to the next heat and will start in the first group(s). Run order for the 2nd heat is in reverse order of rank, with fastest two racers starting last.</p> <p>On first run of heat, 1st racer in a pairing runs on red course and 2nd racer runs blue course. Switch on 2nd run of heat.</p> <p>Start command: "Red course ready, blue course ready, racers ready" Athletes start when gate drops. Early or late start will be penalized.</p> <p>Courses are timed independently start to finish, not differential time at finish line.</p> <p>Disqualifications will be announced after each heat and posted to WhatsApp.</p>
