

2022 – 2023 Medical Plan Loveland Valley

Ski Patrol will be stationed at the top of Chair #3

Radio communication via Loveland Dispatch (Open One) Channel

Dispatch will notify Ski Patrol immediately

In the event of an injury:

1st choice: Information is relayed via Open One radio Channel to Loveland Dispatch.

2nd choice: Dispatch Phone:
303-571-5580 ext 101. Or Dispatch direct 303-670-6000.

3rd choice: Valley Patrol Room 303-571-5580 Ext. 143,
Basin Patrol Room 303-571-5580 Ext. 134.

Last choice: Patrol may be reached via cell phone:
303-210-7611 or 402-440-4779

Patrol personnel will respond from top of Chair #3 with toboggan to incident location.
Response time approximately 2-4 minutes.

Upon arrival at the incident location, Ski Patrol will:

- Establish a safe scene.
- Assess the patient.
- Call for assistance if needed.
Includes notification of ground or air ambulance as needed.
- Package patient and transport to Patrol Room located on lower north, east corner of the Valley Lodge.

In Patrol Room, on site paramedic will:

- Further assess the patient
- Communicate with ambulance and hospital medical staff if needed

Approximate response time for ground ambulance is 15 minutes from time of call

Approximate response time for air ambulance is 10 minutes from time of call
