Let The Games Begin!

Deep tournament runs are the stuff memories are made of. Congratulations on reaching the final round of this MHSAA Tournament.

We like to talk about the 99 percent factor in high school sports. That for most the participants, this is the biggest athletic stage they'll ever perform on, and the memories made are what they'll revisit in reunions for years to come.

For that minute group that are blessed enough to continue playing competitive athletics beyond high school, the day will come in spite of their achievements beyond their prep careers when they're asked what part of their athletic endeavors they remember most fondly, many will point back to this week – this team – playing with their friends from the neighborhood – the overwhelming community support.

That doesn't happen anywhere but in high school sports. Good luck today and cherish the good memories.

Medical Station

NINSP Patrol Room is located on the West end of the Locker building. It is equipped with all necessary medical supplies and equipment including oxygen, splints and dressings.

Medical Team

First aid response to the medical needs of all USSA racing and training is administered by both professional and volunteer members of the Nub's Nob Ski Patrol (NINSP) with the cooperation of area management. All members of the NINSP meet the first aid and rescue criteria of the National Ski Patrol and are recertified on an annual basis. Ski Patrol is on site and available anytime the area is open. Ski patrollers are identified by red jackets with white crosses on the back.

Medical Supplies and administration

Immediate first aid supplies are carried on the person of each patroller. Significant rescue equipment (O2, backboards, AED, extra splints and supplies) are located in Top House 1 on top of the Green lift as are rescue toboggans. Top House 1 is located less than 600' from the start of the Scarface race course. Patrollers are always on station in Top House 1 ready for immediate deployment. In addition, other patrollers free ski and are ready to respond when notified.
