Division 2 State Varsity Race

February 24, 2025 at The Highlands

HOSTED BY:

CLARE HIGH SCHOOL

Tim Gariglio - Meet Manager, Head Coach

Let The Games Begin!

Deep tournament runs are the canvas that paint lifelong memories for all involved- the players, coaches, the families and school community. Congratulations to all on reaching the final stages of this MHSAA tournament.

We often like to talk about the 99 percent factor in high school sports. For approximately 99% of the participants, this is the biggest athletic stage they'll ever perform on, and the memories made are what they'll revisit in memories and reunions for years to come.

For that incredibly small group that will be blessed enough to continue playing competitive athletics beyond high school, the day will come at some point in their post-high school careers when they're asked about standout memories and accomplishments. Many will point back to this week – this team – playing with their friends from the neighborhood with the overwhelming community support.

That doesn't happen anywhere but in high school sports. Good luck to all involved today- you will be making memories that will last a lifetime!

MHSAA Executive Director
