Let The Games Begin!

Deep tournament runs are the canvas that paint lifelong memories for all involved- the players, coaches, the families and school community. Congratulations to all on reaching the final stages of this MHSAA tournament.

We often like to talk about the 99 percent factor in high school sports. For approximately 99% of the participants, this is the biggest athletic stage they'll ever perform on, and the memories made are what they'll revisit in memories and reunions for years to come.

For that incredibly small group that will be blessed enough to continue playing competitive athletics beyond high school, the day will come at some point in their post-high school careers when they're asked about standout memories and accomplishments. Many will point back to this week – this team – playing with their friends from the neighborhood with the overwhelming community support.

That doesn't happen anywhere but in high school sports. Good luck to all involved today- you will be making memories that will last a lifetime!

February 24, 2025

The ski patrol will be on site starting at 07:30 a.m. the day of the event. A Ski Patroller will be at the top of the hill at the green chair at all times. In case of an accident, the Jury will call the front desk who will call the Ski Patrol at the top of the hill. Medical evacuation off the hill will be by toboggan. Also, there will be a stop the bleed kit with the Patrol and Management of Nub's Nob. The ski patrol building is located at the bottom of the hill, two buildings North of the day lodge building at the end of the locker room. If an athlete needs to be taken to the hospital, Allied EMS Services, which is located less than five miles away from the ski hill, will transport the athlete to the hospital.
