## Let The Games Begin!

Deep tournament runs are the canvas that paint lifelong memories for all involved- the players, coaches, the families and school community. Congratulations to all on reaching the final stages of this MHSAA tournament.

We often like to talk about the 99 percent factor in high school sports. For approximately 99% of the participants, this is the biggest athletic stage they'll ever perform on, and the memories made are what they'll revisit in memories and reunions for years to come.

For that incredibly small group that will be blessed enough to continue playing competitive athletics beyond high school, the day will come at some point in their post-high school careers when they're asked about standout memories and accomplishments. Many will point back to this week – this team – playing with their friends from the neighborhood with the overwhelming community support.

That doesn't happen anywhere but in high school sports. Good luck to all involved today- you will be making memories that will last a lifetime!

## Boyne Mountain Medical Plan

The Ski Patrol has confirmed that they will be on site starting at 8:00 a.m. all days of the event and rotating patrollers will be on duty at the duty station on the race hill. Race Administration can contact the ski patrol immediately in case of an accident using the ski patrol land line phone number 231-549-6027 or through the Boyne Mountain Operator on Extension #6001. Medical evacuation off the hill will be by toboggan. Also, there will be a stop the bleed kit at the start and finish and with the TD and the Chief of Race.

The ski patrol building is located just north of the Superbowl area, near the bottom of the Meadows run, between the Meadows Chairlift and the Boynehof Lodge. If the athlete needs to be taken to the hospital, Boyne City EMS (231-582-9535) will transfer them. The hospital is located approximately 16 miles from the ski area off US-31 in Petoskey, Michigan.
